

Help a Child Go back to School - Looking Good and Feeling Confident

Heart & Sole Back-to-School Shopping Day provides new school clothing to neglected and abused children of Pickens County. Receiving new clothing helps them feel confident for the first day of school, but the benefits go further. Getting new clothes for school sends a message to a child that school is important and that he or she matters.

Here's how the program works...become a sponsor/benefactor!

With money raised through donations, the Heart & Sole Back to School Shopping Day will provide 4-17 year-olds a day of shopping at Belk and Rack Room School in Easley. Some of these teens have never had a chance to shop for their own new clothes! Heart & Sole gives these children an opportunity to select and try on clothes and get exactly what they want – with the right look and the right fit!
